Welcome from C2 CHAROLAIS

WELCOME BACK!

It's a *privilege* to have you holding this catalogue!! Thank you for taking the time and exploring this years 2025 Bull Sale line up.

Over the past few days, as I gather my thoughts to write this welcome, I am overwhelmed with a sense of pride. Especially after that historic hockey game Team Canada just played!! With the world in a state of chaos on all kinds of levels and politics being... well I won't go down that road, I find myself standing a bit taller and feeling strong. A sense of nationalism is growing and we are reminded just how capable, resourceful and valuable our country, cattle and cattlemen are.

I AM A PROUD CANADIAN!! I am grateful to be living and raising a family within the beef industry, in this amazing place we call home. I love our diverse country and all that it has to offer with its geography, weather and people. When the national anthem plays, I literally can not get through singing it without choking up with tears in my eyes. Ask my boys! It's embarrassing at hockey games!! I truly believe WE ARE the land of opportunity and freedom. I truly believe Canadians have the best beef genetics to share with the world.

Our farm continues to flourish. This past year we moved to a second yard, that allows us to carry out more specific options with cattle management. The new yard compliments our working yard beautifully. The growth and expansion plans that we have been nurturing, can now come to fruition with a feeling of confidence and excitement for our up and coming next generation.

The boys have been going hard this year with multiple junior beef events/shows and a busy hockey season with playoffs on the horizon. Keegan is traveling the sales circuit and doing videos across the prairies for DLMS clients. Haley has settled into her teaching position in Moose Jaw with a grade 3/4 class. I am back in my element working at the vet clinic and loving it. Jeff, the heart beat of our herd, is doing what he does best, caring for the cattle.

This year's offering showcases numerous calving ease bulls as well as performance packed herd sires. We strive for robust, sound made, docile, hairy bulls that are easing fleshing. As trends move to later calving to lessen the work load for many producers, the Charolais advantage is a must in keeping feeding profitable and carcass sizes adequate.

We are pleased to be offering an exceptional group of heifers on sale day. Feminine front ends, with ample thickness. Designed to produce and made to last. Impressive pedigrees. Make sure to take a look.

With todays cattle market, every commercial herd should be utilizing Charolais genetics. Without it you are leaving money on the table.

We invite you to come walk the bull pen and discuss your herds future. We don't take the investment of your new herd sire lightly,.

From the very first privately sold C2 bull to present day, our program has stayed transparent and accurate. **Always real, honest and genuine. That handshake holds merit with us on sale day and after.**

Cheers,

JACKIE CAVERS

FROM THE DESK AT T BAR C

Welcome to the C2 Charolais 2025 Bull and Female sale on March 27th at the farm, La Riviere, Manitoba. Jeff, Jackie and the boys are excited about the awesome lineup they will present for this their 7th annual event.

C2 is a family dedicated to agriculture... leaders in the Charolais breed and very active in their community and at breed events. The cow herd is powerful, very fertile, sound of foot and udder and these attributes are reflected in the strength and uniformity of the bulls. When you select a C2 bull, they are covered with all required health protocols but most importantly they are covered by the C2 customer service guarantee... Jeff wants a happy customer, and your cows bred.

The herd bull battery is diverse and deep in performance values, the true definition of the influence of Charolais on the Canadian Landscape. But along with performance, they have always monitored calving ease and fertility. In this powerful presentation you will admire the type we all desire...lots of depth, thick topped, full of muscle, tons of hair, optimum in frame and a gentle disposition. As you walk through the pens you will find bulls for all operations, purebred and rancher... power bulls and calving friendly sires.

The heifers offered are unique and fancy, sisters to the bulls selling and out of highly maternal cow families... suitable for juniors of any age.

Feel free to stop by the farm any time prior the sale, preview the animals and get a look at the mothers or give Jeff or the boys a call to discuss their bulls and your needs. C2 is an event you must not miss!

If we, at T Bar C may be of any assistance prior to or sale day, do not hesitate to call any of our team and we will be pleased to assist in a professional and confidential manner.

C2 Value ADDED

After a cold winter, it is important to have your bulls semen tested and evaluated prior to breeding season. It's an easy way to set your program up for success, and we want nothing more than the very best for our valued customers.

So, why not let us pick up the tab?

C2 CHAROLAIS WILL PAY FOR YOU TO HAVE THIS DONE!

Take any previously purchased C2 bull and get him checked by a licensed veterinarian. Grab a copy of the test. The test must be dated, have completed results, the veterinarian's signature and bull tattoo. Show us the test on or before March 28, 2024, then give us the invoice! We want to ensure that all your breeding needs are taken care of. Finding you a suitable replacement if needed, when the selection is at its best.

We value your purchase, now and into the future.

One of the most intriguing calving ease bulls to come along in a long time. Take a look here at this outcross stud. Cobain has calved extremely well for us last year and this year. His consistency has truly impressed us. I'm confident in recommending him on larger framed heifers.

The Cavers Boys “PICK OF THE PEN”

LUKAS PICKS...

C2 MACK 22M

Mack reminds me of so much of his dad Kong! Big belly, cool head, super hairy. Everything a guy could ever want!

FISCHER PICKS...

C2 GIBSON 89M

He's a bull I admire from top to bottom, he's got muscle shape, lots of depth in his ribs, moves like a dream and is an all around attractive bull

KEEGAN PICKS...

C2 MAJOR 61M

MIDDLE MUSCLE HIP. A Jenson son that needs a couple looks to be truly appreciated. A bull that checks a lot of boxes.

TERMS AND CONDITIONS...

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

Announcements made from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Charolais Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

PHONE, MAIL & WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

PHOTOS:

By attending the sale, you are granting permission for your picture to be used for promotional and advertising purposes relating to C2 Charolais sales.

SEMEN COLLECTION:

C2 reserves the right to collect semen from any bull sold, at the convenience of the buyer and at the expense of C2 Charolais, at any time throughout the life of the animal.
